tec+ Aluminium Power Bank 8,000mAh

With the tec+ Aluminium Power Bank, you will no longer have to worry about being caught short without any power in your device when you are out and about! Easy to use and perfectly sized so that you can slip it into a handbag or glove compartment, this product has a very long standby time so that you can grab it in an emergency.

By keeping this with you, you will always have access to that extra bit of power for your smartphone that you need. This power bank contains enough charge for up to two full charges of your smartphone. It is simple to use, and you can charge it either from your PC or Macbook, or with a suitable USB mains charger.

Make sure that you always have the essential power that you need with the tec+ Aluminium Power Bank.

- Charge your device on the go
- Long standby time
- Portable and compact
- Handy for emergencies
- 8000 mAh, enough for one full charge
