Is the Quantity too much to store ? Is there too much investment?

Why not talk to us about Credit & Storage terms ...

Note : * All prices above are Plus VAT
*1 Pallets Avialable

The Outbound Bluetooth Optic Pulse Watch is the most comprehensive sports watch, tracking not only your laps but also your Heart rate, using the built in Optical Sensor

The Outbound Bluetooth Optic Pulse Watch features the ability to set upto 6 interval timers, track the calories burnt and store your lap data to review later.

Using Electro-optical technology to sense the heart beat, the watch tracks your current, Average and maximum Heart Rate, through your wrist.
